## EQUIP AUTO CONFIRMS ITS DATES AND WILL TAKE PLACE FROM 18 to 22 OCTOBER 2022

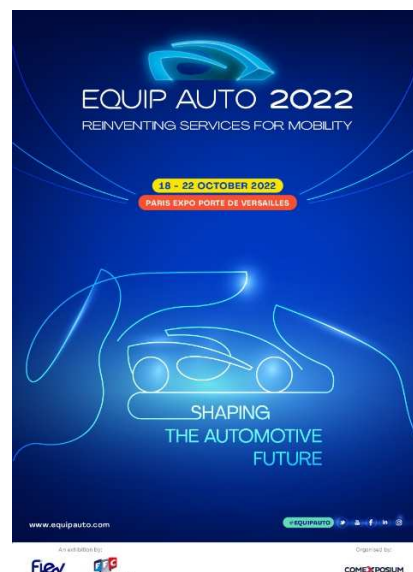

The next edition of the trade show EQUIP AUTO will take place from 18 to 22 October 2022 in pavilions 1, 2.2 and 3 of the Paris Porte de Versailles exhibition centre. The imperative gathering for the automotive aftersales and services for mobility sector is maintaining its two-year frequency, adopting a new schedule in the autumn of even-number years.

Having concluded that the uncertain public health and economic environment was not conducive to the organisation of EQUIP AUTO in 2021, the exhibition's owner FIEV and its partners FFC and the Comexposium Group signed an agreement with the Paris Porte de Versailles exhibition centre to hold the event over five days from 18 to 22 October 2022.

Following on from the success of its 2019 event, EQUIP AUTO 2022 will occupy nearly 100,000 sqm of exhibition space in pavilions 1, 2.2 and 3.

In perfect consistency with its new signature and promise "Shaping the Automotive Future," clear evidence of its development and commitment to industry professionals, EQUIP AUTO will bring together all the stakeholders of the automotive value chain, expanded to encompass new market players working in connected mobility.
